Teacher Report:

Treasurer Report:

Miquette is unable to join us tonight so Chelsie will be giving the Treasurer Report. We have started to process some staff funds purchases and reimbursements which is great to see. It's too early to have the book fair numbers but it was a busy fair and great to see so many families visiting the fair. We were able to provide two nights of dinners for staff during conferences and between budget and donations we were able to cover all costs.

New Business:

Committee/Project Updates:

- a. **Book Fair** - Conferences were Oct. 11 and 13. Read and Feeds were back with lots of positive feedback. It was great to see so many volunteer shifts filled.
- b. **Staff Dinners** - Tuesday was Taco Nacho night and Ronally's on Thursday. We were able to get enough donations to cover the costs and supplement items that we needed.

We had a lot of great feedback on the dinners and love being able to provide dinners to staff during their busy nights.

- c. **February Event Planning** – Depending on if we are moving forward with a spring golf tournament fundraiser, the February event could be a community event that would offer low cost entertainment for students and families or a larger fundraiser. Bring ideas and we will discuss more in the November PTA meeting.

Other Comments:

Adjourn: Chelsie motioned to adjourn the meeting at 7:25pm and Patrick Sokol seconded it.
